## *I'm Free*

<i>Don't grieve for me, for now I'm free; I'm following the path God has laid, you see. I took His hand when I heard Him call; I turned my back and left it all. I could not stay another day To laugh, to love, to work, to play. Tasks left undone must stay that way; I found that peace at the close of day. If my parting has left a void Then fill it with remembered joy.</i>	<i>A friendship shared, a laugh, a kiss, Oh yes, these things I too will miss. Be not burdened with times of sorrow; I wish you the sunshine of tomorrow. My life's been full, I savored much- Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; Don't lengthen it now with undue grief. Lift up your hearts and peace to thee God wanted me now; He set me free.</i>
